The parties stipulate to and request a continuance of the case management conference currently set for October 8, 2015.

The parties request a continuance for the following reasons. As an initial matter, the federal defendant was only recently served on September 21, 2015, and its answer or response to the complaint is not due until November 20, 2015. Additionally, plaintiff is seeking to obtain new counsel as she indicated to the Court in her recent motion to continue the case management conference. (Dkt. 10) Finally, the federal defendant's counsel is scheduled to be on a flight at the time of the scheduled

1 conference.

2 For good cause shown, both parties request a continuance of the initial case management  
3 conference currently set for October 8, 2015 until December 11, 2015, or such other date as the Court  
4 shall determine after the federal defendant has answered or otherwise responded to the complaint.

5 IT IS SO STIPULATED.
